

# *Evolution of Consciousness*

*.God sleeps in the mineral  
...arising of conscious reflexion*

*.dreams in the plant  
...arising of conscious awareness*

*.stirs in the animal  
...arising of ego awareness*

*.and awakes in man.  
...arising of cognitive awareness*

*.just wait till you see what's next!!!*

*[modern reframing of an old Tibetan saying]*
